

# ACCREDITATION SCHEMES FOR ENERGY ASSESSORS

BRE Global is pleased to be able to offer a full suite of Accreditation Schemes to cover all aspects of the Energy Performance of Buildings Directive and Home Information Packs. Accreditation schemes are available for:

- Domestic Energy Assessors
- Home Inspectors
- On-Construction Domestic Energy Assessors
- Non-domestic (Commercial Buildings) Energy Assessors
- Energy Assessors producing Display Energy Certificates for Public Buildings

The BRE Global Accreditation Schemes for Energy Assessors provide the leading routes to accreditation with innovative working arrangements to enable you to work in this market. Membership with BRE Global provides clear benefits and advantages for members with competitive fees and comprehensive membership packages which include:

**Free annual membership – there are no annual subscriptions to pay:** Once you have become a member of the BRE Global Accreditation Schemes there are no annual subscription fees to pay, only lodgement fees.

**Free insurance cover provided with schemes\*:** For many of the schemes BRE Global is providing professional indemnity insurance with no additional fee.

**Access to technical support services:** Scheme members are given access to technical support services in order to assist with technical queries.

**CPD advice and support:** CPD requirements are delivered where possible by guided learning through reading with some CPD training courses, for those who prefer that approach. The schemes provide free advice and support to members providing links to CPD material in order to help you maintain the CPD required by the scheme.

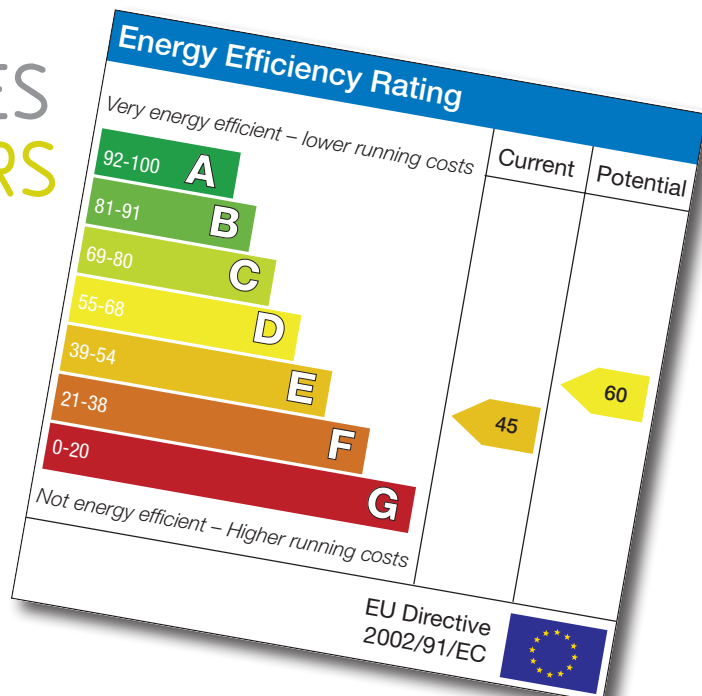

**Access to members' area of BRE website:** Scheme members are given access to the members' area of the BRE website which contains helpful information and technical guidance to support you.

**Password access to Central Register authorised users area:** Scheme members are given password access to the Landmark Central Register authorised users area enabling you to access the register to view your lodged EPCs or DECs, to search for UPRNs and property address details and to search for other accredited assessors.

**Links to finding work:** BRE Global will circulate to members any leads it gets to help members find work.

**Discounts on training:** Scheme members will benefit from special discounts on selected BRE training programmes.

\*Not included for level 4 & 5 buildings for the non domestic buildings scheme, or the On-construction domestic energy scheme.
