

IES TAP REWARDS

Frequently Asked Questions

What are the benefits of IES TaP Rewards?

Earn as you assess! For every 5 new paid for projects* added to the IES TaP system (by all new and existing IES TaP for BREEAM and IES TaP for LEED® customers) within this calendar year, you will receive 1 new project completely free.

* The offer only applies to new full projects purchased per company account level and does not include pre-assessments.

IES TaP Rewards is not limited to one reward per company. If a further 5 paid projects are added within the calendar year (excluding the free project already awarded) you'll receive a second free project and so on.

No. of paid projects / year	No. of additional free projects awarded	Total no. of free projects / account
5	1	1
10	1	2
15	1	3
20	1	4
25	1	5

Am I eligible for IES TaP Rewards?

Yes. IES TaP Rewards is a benefit offered to all new and existing IES TaP for BREEAM and IES TaP for LEED customers. You are automatically enrolled in the scheme at no cost when you add 5 new paid for projects within the calendar year.

I have added more than 5 projects this year. Will I receive a free project?

If you have qualified for any free projects we'll notify you to make you aware that you have been awarded free projects. When you get further projects to add to the system, you then send us details of the projects you would like to place on the system for free and we will set this up for you.

How do I know when I have received a free project?

We keep track of your project numbers so that you don't have to. When you qualify for a free project we'll notify you to make you aware that you have been awarded a free project. You then send us details of the project you would like to place on the system for free and we will set this up for you. If at any time you review your account and determine you were not credited free projects you can contact the IES TaP team either by emailing sales@iestap.com or by phoning us at 0141 945 8500.

Are there any rules around use of the free project?

The free project(s) must be used on the next registered project within 6 months of the calendar year earned. The Free project covers 2 years use of the system after which, usual data storage costs apply*.

* £5 + VAT per month per project to complete your assessment

Can I register a BREEAM Bespoke project as a FREE project and will there be charges associated with the project?

Yes, a bespoke project can be submitted as a FREE project. There will be a Bespoke project set up charge of £150 + VAT associated with the project as usual.

Who can I contact if I have any questions about IES TaP Rewards?

Contact the IES TaP team either by emailing sales@iestap.com or by phoning us at 0141 945 8500.
